PRINCIPAL'S NEWS

Dear SLM Families,

Thank you to everyone for your participation in all of our fun Catholic Schools Week activities. The students at SLM displayed great spirit all week long.

The School-Wide Learning Expectation for January was "A Responsible Citizen." I would like to congratulate the following students for displaying this special quality during the month of January:

DK - Joseph Muhl
K - Delaney Shannon, Talan Holladay & Jack Simmons
1 - Dominic Sellan, Hadley Hanson & Jonah Jones
2 - Camila Besada, Jack Earley & Kelly Hyer
3 - Bella Sroka, Rob Murray, Austin Evans, Rhett Borda & Sydney Volkman
4 - Carson Fries
5 - Adam Majcher
6 - Kira Zimmerman
7 - Ray Hadnett
8 - Mitchell Mahowald

Way to go, Mariners!

God Bless,

Kristopher Knowles

A Responsible Citizen

By Ms. Egnatuk

The DK students at SLM are turning into such responsible citizens of the world. What growth I have seen in these children since the beginning of the school year! In January we focused on responsibility and the children excelled by putting on their sweatshirts and jackets all by themselves, completing their work, cheerfully cleaning up before they go home, being honest, being considerate of each other's personal space and feelings, and being responsible for their actions, words and bodies. At the beginning of the school year many of these things were new or difficult for the children. Over time and with practice they have learned how to be a responsible citizen in not only school, but the world. The DK children have come such a long way this year and I am very proud of their accomplishments. I know that they will be excellent students in their years ahead at St. Lawrence Martyr School.

Volunteer Opportunity

Every year SLM participates in the Galleria School Rewards Program. We are looking for a new coordinator for this program. Each year SLM earns at least \$250 to use towards school materials to benefit our students. Last year, we acquired a new digital camera for yearbook, as well as two Flip digital video cameras for the computer lab. The position involves attending 4-5 meetings per year at the Galleria Mall. If you are interested, please email Mr. Knowles.

SLM St. Patrick's Day 5K

Registration has begun for the St. Patrick's Day 5K run sponsored by Village Runner and SLM! Sign-up now, it will be a blast and a portion of your sign-up will benefit SLM. Find the sign-up information in the weekly bulletin section of our school website: www.stlmschool.org.

SLM Variety Show - March 15, 2012

That time of year is almost here where we get to watch our kids SHINE ON STAGE! The SLM Variety Show is March 15, still a ways away, but we all know how time flies! Let's all tell our kids that the Variety Show is coming up and it's time to start thinking about what kind of performances they would like to do! It could be playing a musical instrument, singing, dancing, comedy, group performances...and anything else they can think of! Please contact Kris Krai with any questions. Thanks! 310.498.3450 or krisklasnokrai@yahoo.com.
